#### Preferred Citation

Boyd Winchester literary addresses scrapbook, W.S. Hoole Special Collections Library, The University of Alabama
Scope and Contents note

The scrapbook contains clippings of literary addresses from various publications. Most addresses relate to education. The owner created a table of contents, located on the first two pages, for the scrapbook. The scrapbook itself is a *Mark Twain's Adhesive Scrapbook*, patented in 1873 by Samuel Clemens. A label on the front cover most likely identifies Boyd Winchester of Louisville, Kentucky, as the owner of the scrapbook.
