Twenty-three reports assessing the cultural and archeological significance of various Alabama sites, 1976-1979.

Preferred Citation note  
Cultural Resource Reconnaissance reports, W.S. Hoole Special Collections Library, The University of Alabama
Biographical/Historical note

The University of Alabama's Office of Archaeological Research (OAR) has over 40 years of experience providing archaeological and historic research and cultural resources management services to multiple federal, Native American tribe, state, and local governmental agencies as well as private and commercial clients. OAR's mission is to assist their clients to meet certain technical and environmental regulatory requirements to successfully accomplish their objectives. OAR provides services for large and small projects - from statewide resource surveys to site-specific locations - acting quickly and efficiently to meet client-identified needs. OAR's leadership and goals are guided by ethical principles.
