EN102 Online Quick Guide to Finding an Argument in a Popular Magazine

Go to lib.ua.edu and click on Scout:

Select the Advanced Search option:

In the top box, enter the topic or issue that you are interested in. In the second box, enter the name of the magazine you want to search, and then open the drop down menu and select the option “Journal Title Search.”

The top Scout results that follow SHOULD be articles on that topic or issue in the magazine you have selected!
